Terms and Conditions of Warranty:

1. The battery is warranted as mentioned below against any manufacturing defects only, arising during warranty period. The warranty is limited to all defects arising from the use of faulty material or poor workmanship. **Consequential liabilities will not be entertained.**

WARRANTY PERIOD

Free Replacement	Pro Rata Warranty (30% discount on MRP)
0-36 Months	37-72 Months

- This warranty card is issued only at the time of original purchase. It is NON-TRANSFERABLE and will not be re-issued. The warranty period commences from the date of sale of the battery as mentioned in the warranty card and on the invoice. The perforated sheet of the warranty card should be handed back to the dealer from where the battery has been purchased.
- To validate this warranty card, you are requested to fill in all necessary information (owner's name, address, telephone number, e-mail address and date of purchase). This warranty card together with the original invoice copy must be presented to the Massimo authorized dealer, depot or service stations before any repair / replacement can be made under warranty. Claim without duly filled warranty card (as mentioned) and original invoice copy will not be entertained.
- In the event of any complaint, the customer will have to return the battery to any nearby Massimo authorised dealer, depot or service facility along with warranty card and original invoice copy at his own cost. The Replaced / Rectified battery has to be collected from the same point.
- Within warranty period, Massimo authorised service station will repair or replace the defective battery. The right to determine whether a battery need repair or total replacement lies solely with the Company. In case the battery is replaced, the defective battery becomes the property of the Company and no scrap rebate will be given for it.
- The warranty period on the battery being replaced Free of cost, shall commence from the date of sale of the original battery as stated in the original warranty card and invoice and not from date of replacement given.

- The octroi duty and all local taxes which is leviable on the battery under repair or replacement will be borne by the customer.
- All liabilities under this warranty will cease if the battery is:
 - Transferred to a third party or used with any other equipment / system.
 - Used in any application other than that specified by the company application chart.
 - Used in vehicular application.
 - Out of warranty period.
- The Warranty does not cover:
 - Damage to the battery caused by faulty inverter electrical systems, improper handling, and servicing by unauthorized dealers/technician, willful abuse, destruction by fire, collision, theft or recharging, due to act viz. earthquake, natural calamities, communal clashes etc.
 - Cost of Recharging, which would be billed extra.
 - Breakage of container, cover; terminal etc.
 - Damage to the battery due to **contamination of electrolyte**. The electrolyte must confirm to IS spec. No. 266 1961 and the water to IS spec. No. 1069 1964.
 - If the battery electrolyte level is not maintained within the band mark provided throughout the life of the battery.
 - If the recommendation on battery charging voltage given under maintenance tips is not followed.
 - If the difference between the battery date of sale and date of manufacturing is more than 3 months (90 days).
 - If the battery has been overcharged or remain in the state or undercharge anytime during its operation.
- It is understood that back up time gets reduced due to ageing of the battery.
- The warranty booklet along with original invoice must accompany all claims arising within the warranty period.
- The Service record on the warranty card must be filled regularly as a proof of maintenance. Failure to do so will invalidate this warranty.
- Customers are deemed to have read, understood and agreed to the mentioned conditions at the time of purchase and agreed to follow general instruction for usage and maintenance of battery, failing to do so shall invalidate this warranty.
- All expense leading to the customer to visit Massimo

Franchisee Location & Transportation back is to the customer account only.

15. Customers are deemed to agree to abide by instruction as contained in the warranty terms and conditions. Any liability arising out of an action beyond prescribed terms / conditions, you agree to meet the liability arising out of such action of yours.

16. All dispute of difference arising out of use of battery, shall have exclusive jurisdiction of Hyderabad, Talangana, Only.

PRECAUTIONS

Your battery is made of Lead & Sulphuric Acid, both of which are dangerous materials to handle.

PLEASE DO NOT:

- Allow children to come close to the battery.
- Handle the battery yourself (always avail of the services of our authorised service personnel).
- Empty the battery container of its electrolyte as it could pollute the air, ground & water with poisonous material.

PLEASE REMEMBER THAT LEAD ACID BATTERIES CONTAIN VERY TOXIC & HAZARDOUS SUBSTANCES THAT COULD CAUSE IRREVERSIBLE DAMAGES TO HEALTH & ENVIRONMENT. UNLESS HANDLED PROPERLY, LEAD CAN POISONING AND AFFECT THE NERVOUS SYSTEM THEREBY RESULTING IN IRREVERSIBLE RETARDATION & SUBSEQUENT DEATH.

IMPORTANT NOTIFICATION OF THE GOVT. OF INDIA IN REGARD TO HANDLING OF BATTERIES:

Consumer is advised to deposit the used battery with the dealer, manufacturer and registered recycler or at the designated collection centers and not dispose off in any other manner.

Hence, please do not discard the battery in a trash can or give/sell to a non-authorized person.

It is mandatory for people selling a lead acid battery to accept a used battery and provide a corresponding rebate on purchase of a new battery.

Please note that violations of these guidelines may lead to legal action / prosecution by the Government Authorities.
