BLOOD DONATION CAMP

Name of the Activities	Blood Donation Camp
Organising Department	NSS/YRC and Association with LIONS Club, Rotary Club Bangalore
Date	11-12-2021
Time	10:30 AM
Number of Participation	100 students
Outcomes	A Blood donation camp was organized by our NSS unit, in collaboration with Indian Red Cross Society, through which more than 120 units of blood was donated by both students and the staff members of our Narayana Engineering college. It is a way of RTES College; gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

World Blood Donor Day

Duration in days:	01	Date: 14/06/2022
Name of the event:	World Blood Donor Day	Venue: College campus
Organized by:	NSS	
Number of participants:	50	
Objective:	The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood. A blood service that gives patients access to safe blood and blood products in sufficient quantity is a key component of an effective health system.	
Outcome of the program:	Join the effort and save lives World Blood Donor Day 2022: Donating blood is an act of solidarity. Join the effort and save lives World Blood Donor Day takes place on 14 June each year. The Day was created to: raise global awareness of the need for safe blood and blood products for transfusion;
