05	Best Practice	<ul style="list-style-type: none"> • Practices ICT in Teaching learning Process • Best practices at institutional level in the utilization of solar/renewable energy or bio-gas energies, solid E-waste management and the more than 500 Planting the plant in the campus. • 'Protecting Academic Interest of Students During COVID-19 Pandemic: Sharing Best Practices' is commendable. • Our college is continuously thriving to cope up with the prevailing situation, adopting the best practices in teaching-learning and nurturing students in such a manner that they develop into competent citizens, confident in handling times of distress and maintaining high academic standards. • The best practice of interacting with different colleges was adopted for and getting feedback not only from principals but also from students using online tools, emails and mobiles to evaluate the success of online classes, status of syllabus being covered and difficulties faced. As a whole, 75-80% of the students are happy in this critical situation of COVID-19 with the facilities extended by the university through whatsapp, online classes, learning materials available on the Institutional website, remote access facility and virtual contact with their faculty. • In line with its efforts to follow best practices with respect to student evaluation/assessment during the lockdown period, the University has taken various initiatives. Since continuous assessment has 20% weightage in a course evaluation the faculty members have conducted online quiz sessions, given assignments as well as conducted online internal tests
