**ANNUAL E-GOVERNANCE REPORT
(Presented for Approval of Academic Council)**

E-Governance is the use of information and communication technologies (ICT) in organizations to provide user services, to improve work efficiency and to promote democratic values. It is being used as a platform for efficient, transparent and timely delivery of services to all the stakeholders. In essence the purpose of e-governance is to bring transparency and efficiency in the working of an organization. This urge for transparency and efficiency is derived by the demand of ever-increasing aspirations of information age. Speedy and cheaper communication, convenience, transparency, accountability, improved customer services and increased access to information are some of the basic parameters on which the concept of e-governance relies and finds its foundation. RTES Degree College, Ranebennur is trying its best to keep pace with the recent applications of e-governance in terms of various functions being performed digitally through internet. The necessary infrastructure is provided partly by the state government and partly by the UGC and project grants. Most of the staff and students use smart phones to utilize the benefits of modern day technologies available in the field of higher education. Students with more than 75% attendance have been provided smart phones through a scheme of the state government. Regular digital literacy programs are conducted for students and staff-members under the digital India initiative of the central government. A well equipped IT-Cell has been established in the College to monitor and regulate smooth functioning of computer systems and to address all IT related issues so that maximum benefits could be ensured out of them. Students and staff-members are provided help-desk pattern assistance and support through IT-Cell in case of software and online portal related issues. The overwhelming response of human resource to digital technology has strengthened the prospects of e-governance in different areas of operation. The following operational fields of educational administration have been identified for realising the exquisiteness of e-governance.

1. Planning and Development

Online official communications regarding planning and development are realized through e-mails, fax and messages. Proposals for infrastructural development, seminars & workshops, various grants and scholarships are prepared and submitted online through participative management system to concerned organisations including state government and sanctions are obtained through the same mode. Necessary budget allocations for various schemes including research projects are also realized digitally through net banking and other online modes.

The following main organisational assignments are carried out online-

- Working with various web-based modules,
- Communication through e-mails to government and other agencies,
- Proactive disclosure of incessant information on its web-page,
- Large scale computerisation,
- Conduction of computer awareness programs for teachers and students,
- Management of e-library, and Endless such functions as components of e-governance scheme. Proper training for working on different user interfaces is organised throughout the year. Apart from maintaining other data formats upto-date and keeping hardware and software inventory of College up-to-date & accurate, new proposals for conduction of online courses and development of IT based infrastructure is also initiated by the Cell. A dedicated WhatsApp Group has been created at institution level and also in each academic department for sharing orders, information, direction and discussion on a common platform. The necessary budgetary allotments for implementation of government schemes such as e-shakti, skill development and digital awareness are provided by the government and proper utilization is ensured with utmost transparency within time limits.

2. Administration

The College administration has stepped ahead in the direction of paperless administration and almost all communications with higher authorities are realized online through e-mails and other digital formats. The ICT based significant institutional tasks carried out online as part of the e-governance program can be outlined as

- Management of e-service books (ER Sheets) of employees,
- Supervision of various scholarship schemes,
- Maintenance & disclosure of comprehensive information on its web-page,
- Development of ICT based infrastructure in the College,

PRINCIPAL

Commerce Degree College, RANEBENNUR

- Applications including transfer applications & online leave management through IFMIS module,
- Wi-Fi campus and biometric attendance system,
- Fully computerised office and academic departments,
- Conduction of seminars/workshops/trainings on digital literacy,
- Organization of computer awareness programs,
- Management of e-resources in central library & departmental libraries,
- Availability & monitoring of SWAN LAN/RF/internet connection,
- Issuance of salary/GPF e-slips,
- Disbursement of GPF part-final/advance payments,
- Salary payment to employees through net-banking,
- Management of College web-site (<https://rtescollege.co.in/>),
- Cashless transactions & payments, and
- Never-ending many such assignments.

A committed WhatsApp Group has been created for sharing orders, information, direction, vital announces and notices to the employees.

3. Finance and Accounts

As a basic ingredient of e-governance concept and as per instructions of the government, all kind of financial transactions has become cashless. The salaries of employees including examination remunerations are paid online through NEFT/RTGS and rarely by cheques. Not only is that, the payment of scholarships and all purchasing transactions are executed necessarily cashless to maintain transparency and financial accountability in the system. Outlined below are some of the major assignments being performed digitally at college level-

- Online payment of examination and admission fees,
- Pay bill preparation & management of various scholarship schemes,
- All kind of payments including salaries to staff-members,
- Disbursement of salary slips & accounting
- Conduction of computer awareness programs for office-staff,
- Management of College accounts and many such functions as required. All the accounts are being maintained in nationalized banks with maintenance of proper ledger at college level.

4. Students' Admission and Support

PRINCIPAL
 R.T.E. Society's Arts, Science &
 Commerce Degree College, RANEBENNUR

Entry level admission to B.A., B.Sc., and B. Com classes is realized through online process and it is managed & regulated by higher education department through its web-portals <https://uucms.karnataka.gov.in/Login/Index>. Institutional assignments for online admission to various courses/classes are performed with support of qualified and skilled staff with orderly transparency on merits. Online admission and support activities include the followings as such-

- Disclosure of admission rules/schedule on web-page,
- Verification of documents, payment of fees & other admission formalities,
- Preparation & publication of admission rolls and related statistics,
- Admission related data management through web-based MIS & e-mails,
- Management of different scholarship schemes for students,
- Disclosure of students-centric information/data/materials on web-site,
- Wi-Fi campus & Availability of internet/e-resources in library,
- Running of computer based programs/courses,
- Conduction of computer awareness/digital literacy programs for students,
- ICT based teaching in smart class-rooms, and
- Maintenance of students' attendance in web-based formats.

Above digital functions are realized online through internet with support of ICT based infrastructure available in the College.

5. Examination System

Under the scheme of autonomy there is a fully computerised exam cell which conducts exams, maintains curriculum and publish results online for different courses/programs. The digital features of exam system include-

- Online registration, fee payment & issuance of admit cards on web address www.exam123.myfreesites.net,
- Intranet for entering CCE marks and other data,
- Declaration of results on web-site, and
- Preparation of mark-sheets and degrees.

The College administration is committed to have an automated examination system based on features of e-governance for bringing reliability & efficiency in the system and eventually to improve the quality of education.

6. Screen Shots of User Interfaces

Various user-friendly interfaces are students to realize IT appreciating these e-governance technologies is tremendous in terms of time and money. College Website

The screenshot shows the homepage of the State Scholarship Portal. At the top, there is a navigation bar with the text "State Scholarship Portal", "Department", and "Downloads". A language dropdown menu is set to "English". Below the navigation bar is the Government of Karnataka emblem, followed by the text "GOVERNMENT OF KARNATAKA" and "STATE SCHOLARSHIP PORTAL". Two prominent buttons are displayed: a blue button on the left that says "CLICK HERE TO CREATE NEW ACCOUNT (STUDENTS WHO HAVE NOT YET CREATED AN ACCOUNT IN SSP MUST CREATE AN ACCOUNT BEFORE APPLYING)" and a green button on the right that says "CLICK HERE TO LOGIN TO SSP STUDENT ACCOUNT (FOR STUDENTS WHO HAVE ALREADY CREATED ACCOUNT IN SSP)".

The screenshot shows the "Login" page for a verifier. The page features the logo of the Centre for e-Governance (CEG) with the tagline "CENTRE FOR e-GOVERNANCE e-Enabling Government". Below the logo, the text "Verifier Login" is displayed. The login form contains the following fields and values: "Aadhaar id : XXXXX614303", "Name : Madhukumar R", and "Designation : Assistant Professor". A blue "Get OTP" button is located below the form. A note at the bottom of the form reads: "* Enter OTP received in your mobile number linked to your Aadhaar Number".
